## No more restriction

Investing from Africa has never been easier. Get started in 3 easy steps

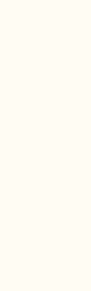

### Create an account

by selecting your country and instantly verify your identity using your government issued number like your Bank Verification Number or National Identity Number.

### Fund your wallet

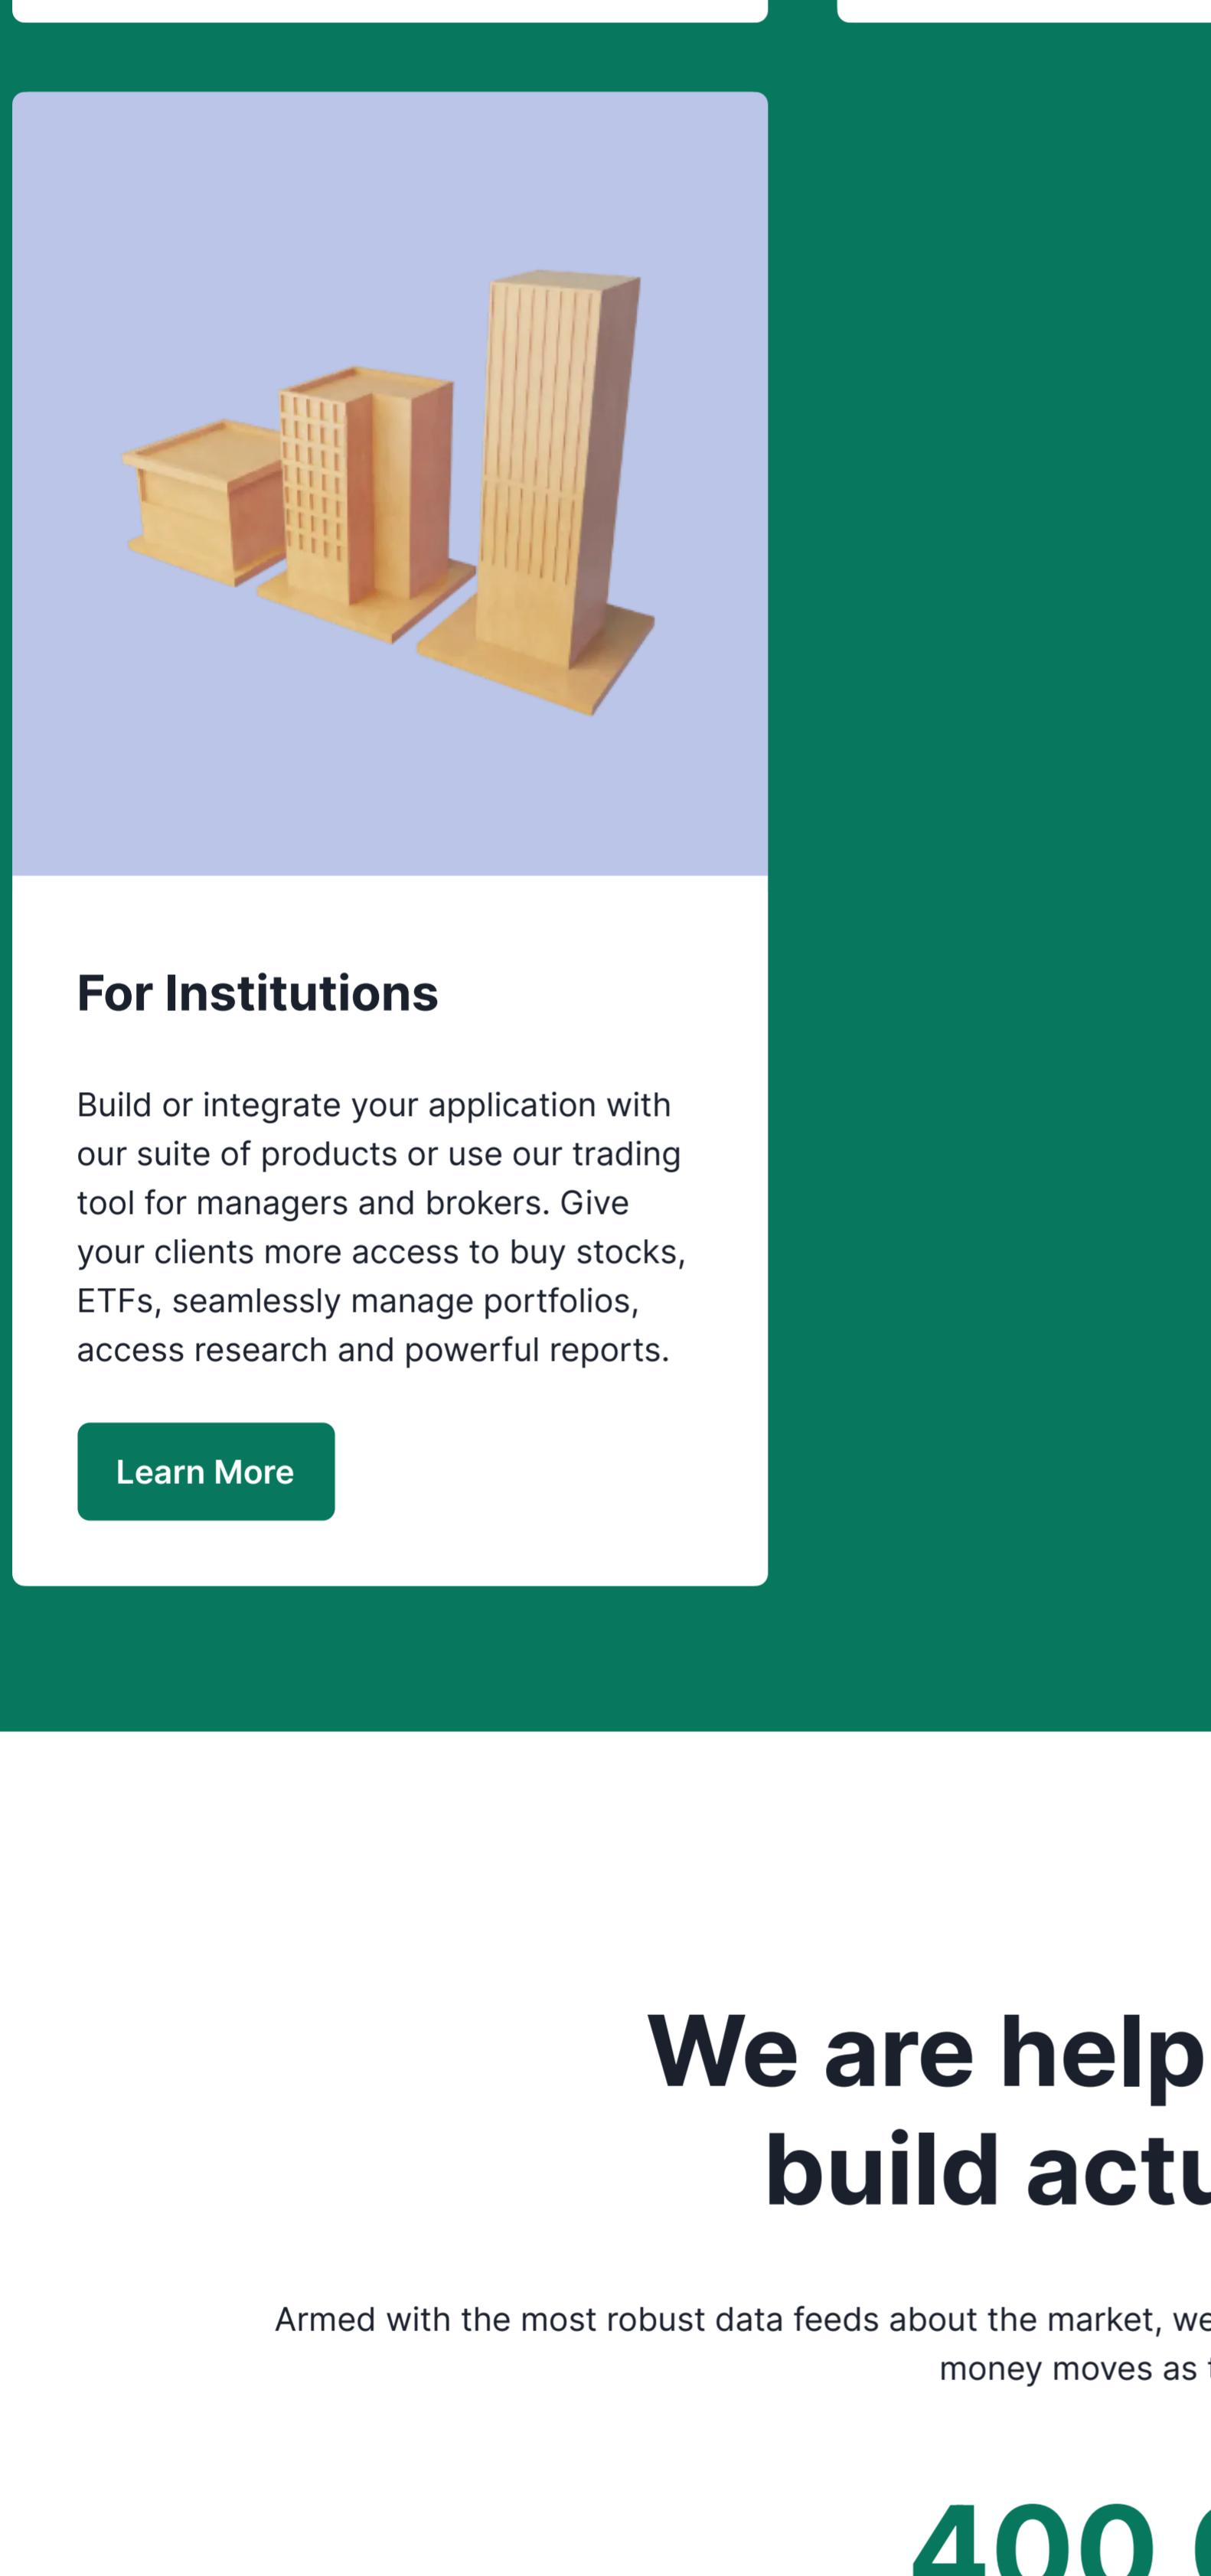

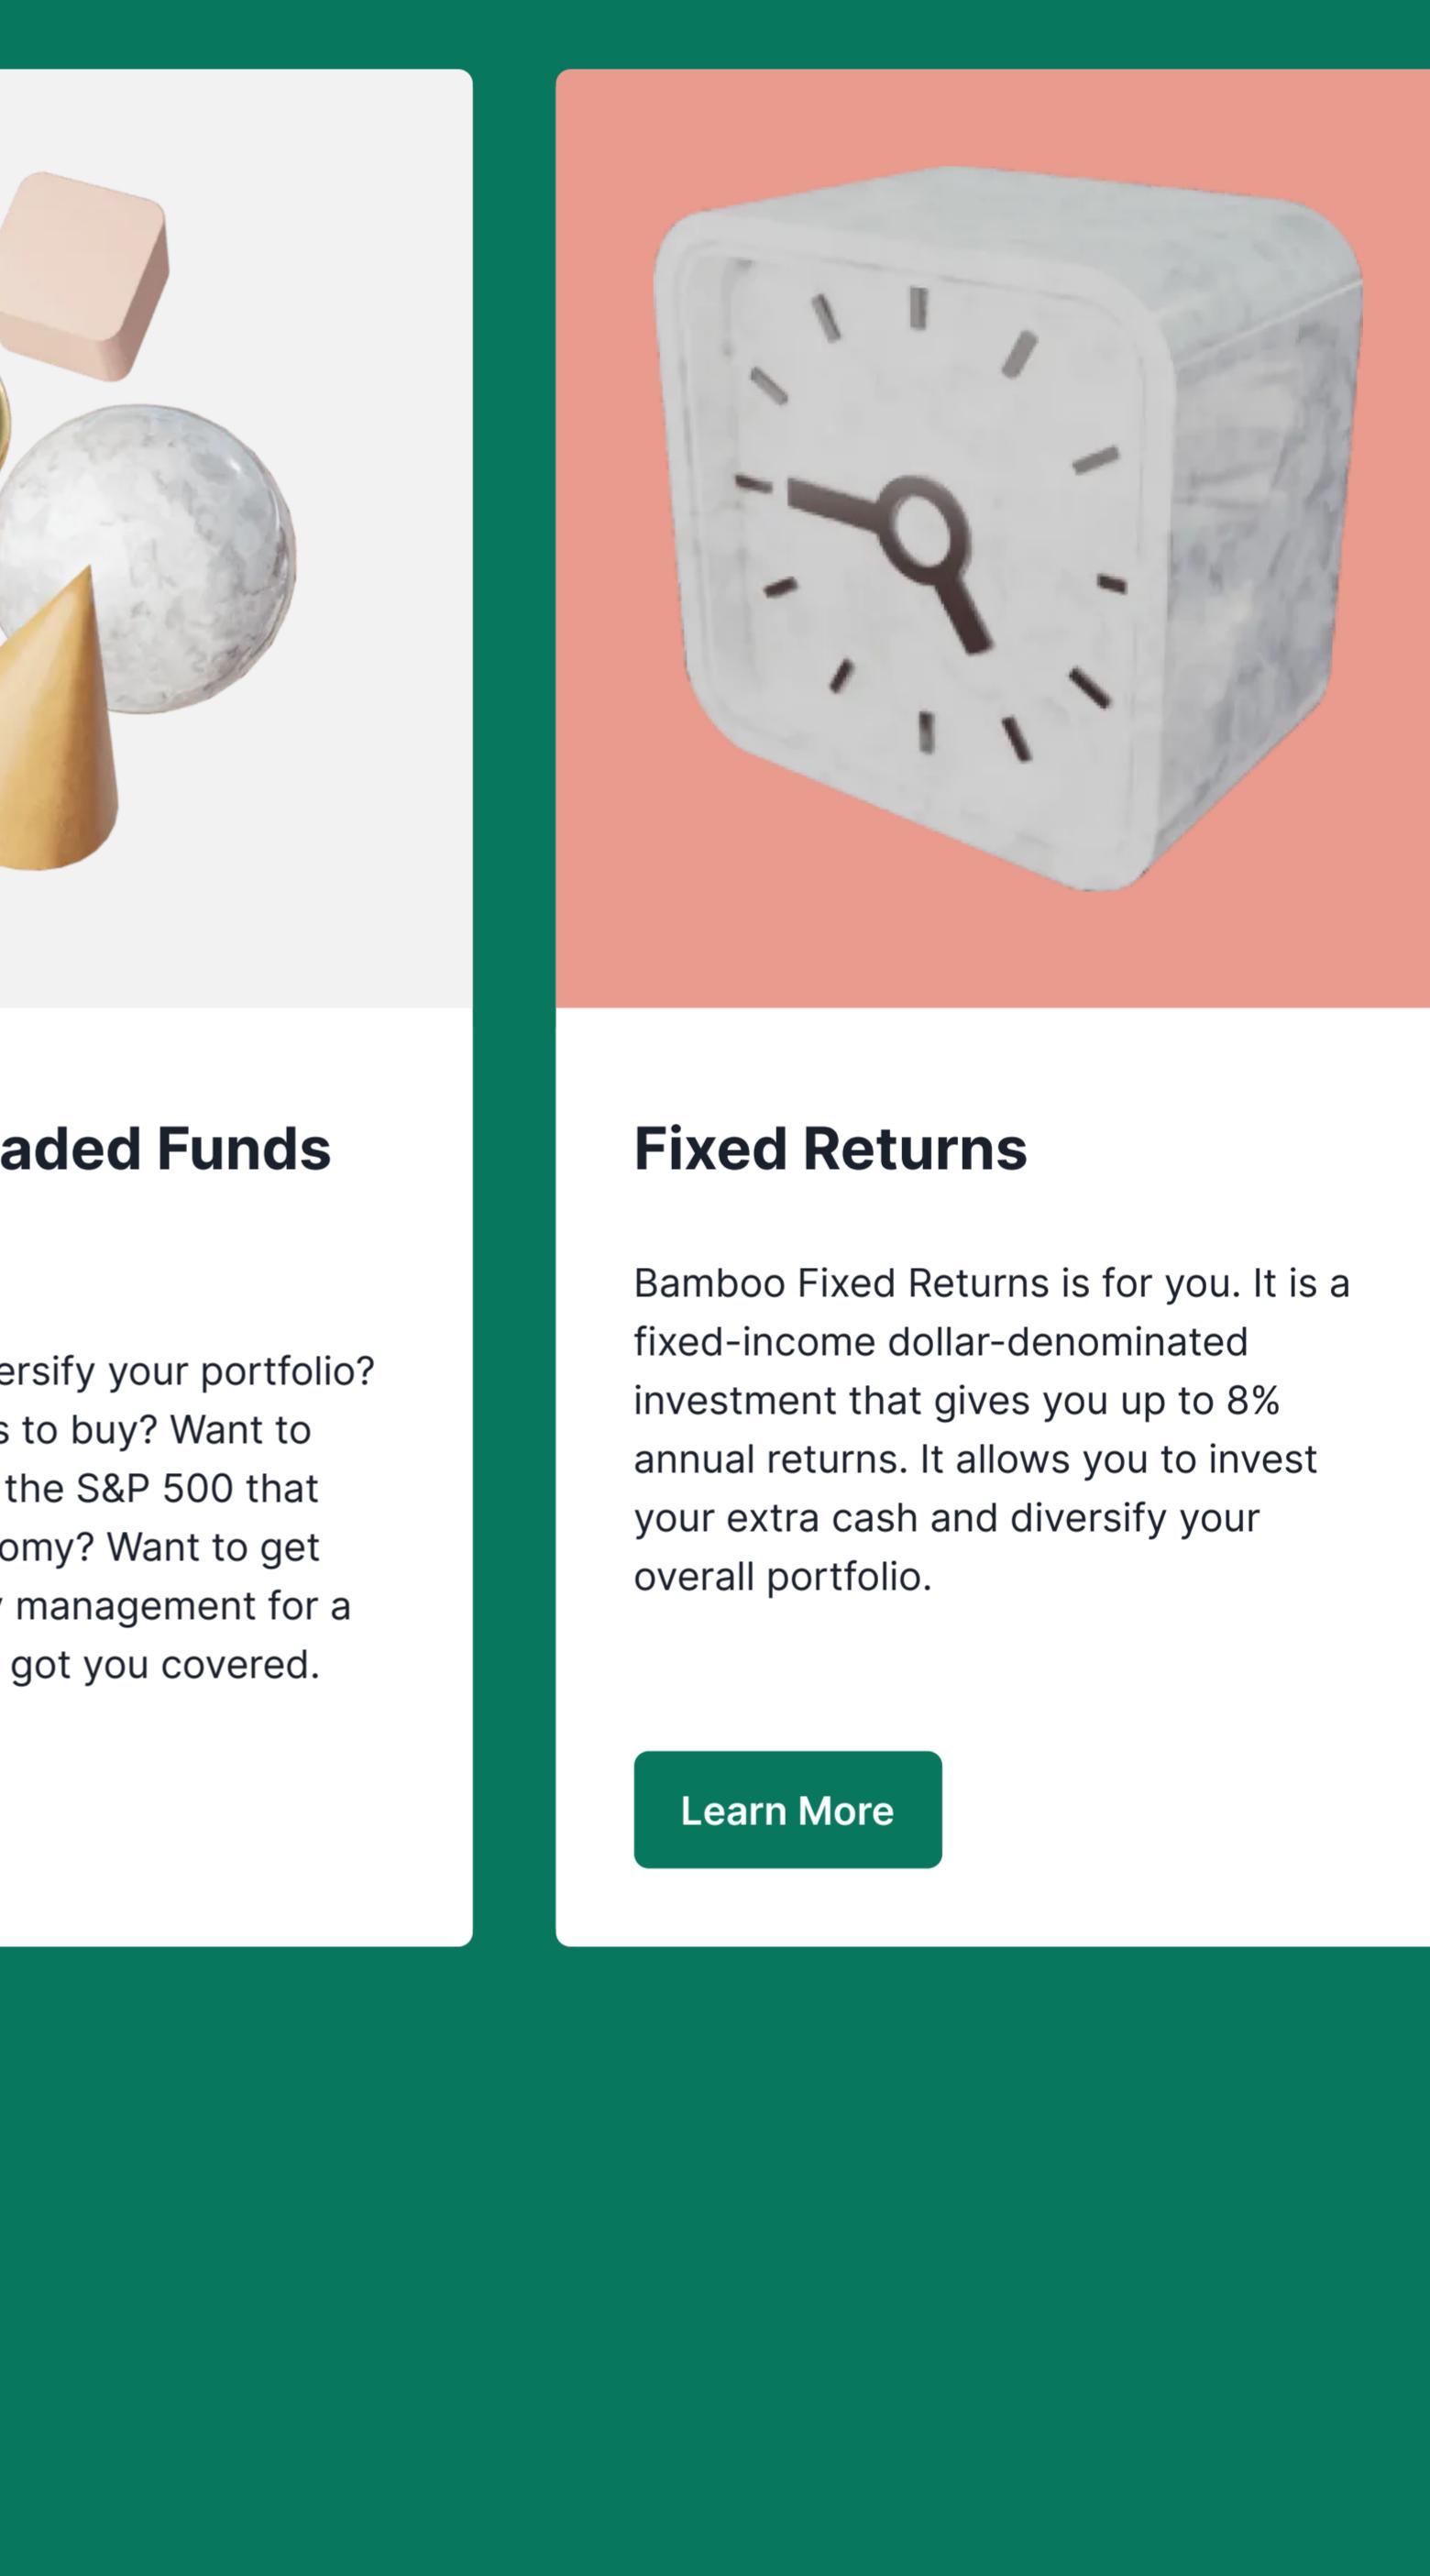

via multiple channels including your local currency cards and our partner will handle the currency conversion instantly in one click.

### Start Investing

in your favorite public listed US company, a bundle of companies called an ETF, other African companies, mutual funds, or fixed income products from around the world.

## Learn the basics of investing: From the ground up

We teach you the basics and get you started on your investment journey in no time.

[Start Investing](#)

## Our Products

### Stocks

Discover the best global and local stocks to invest in. Get unrestricted access to the U.S. and Nigerian stock markets, right from your mobile phone or computer.

[Learn More](#)

### Exchange Traded Funds (ETFs)

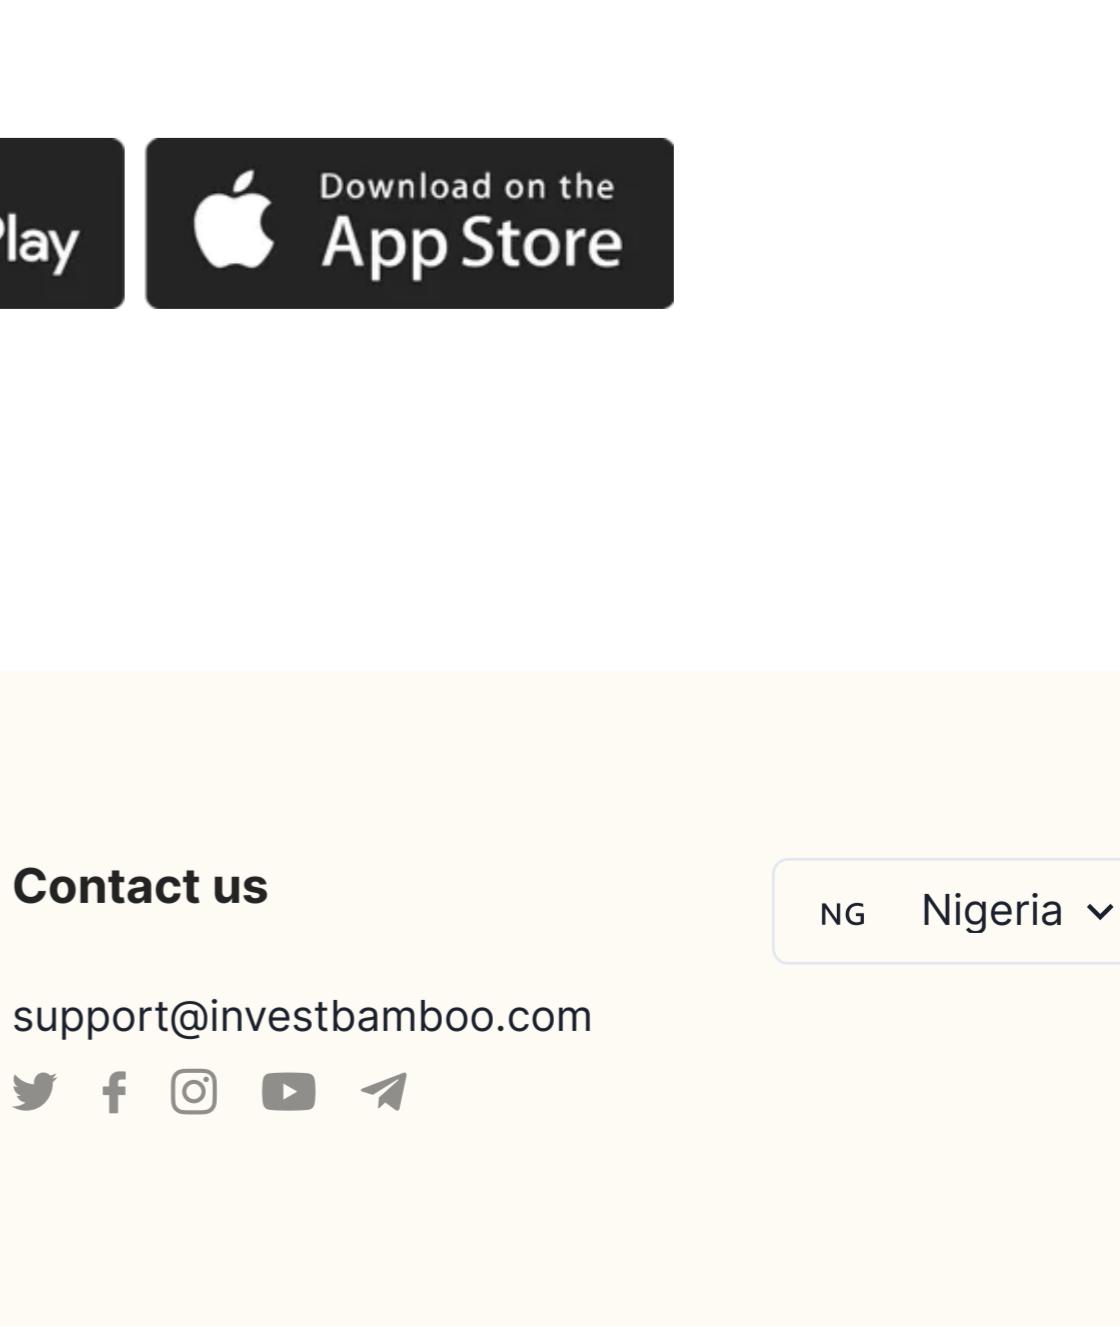

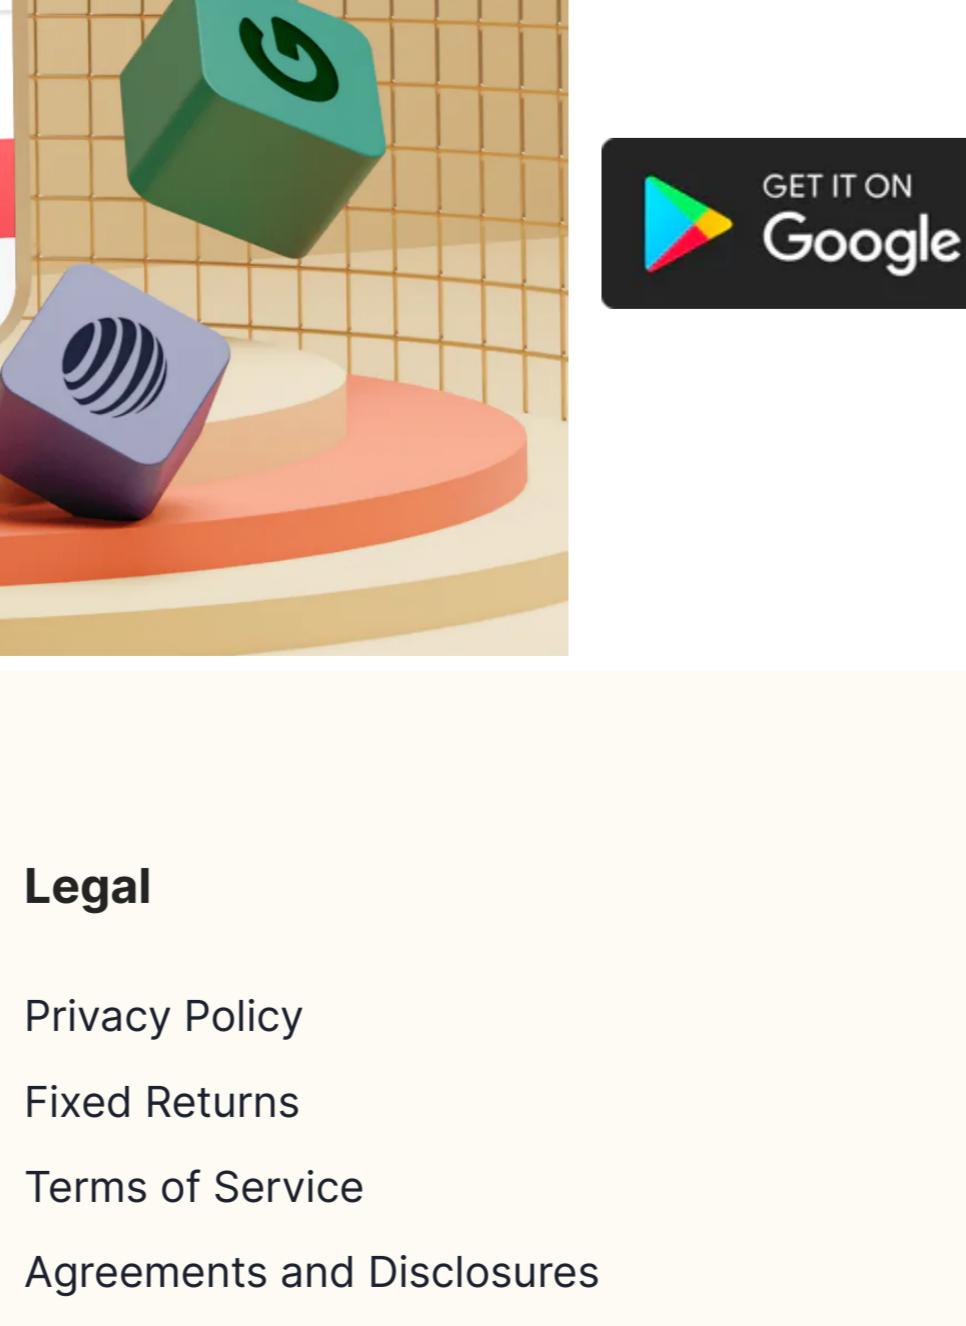

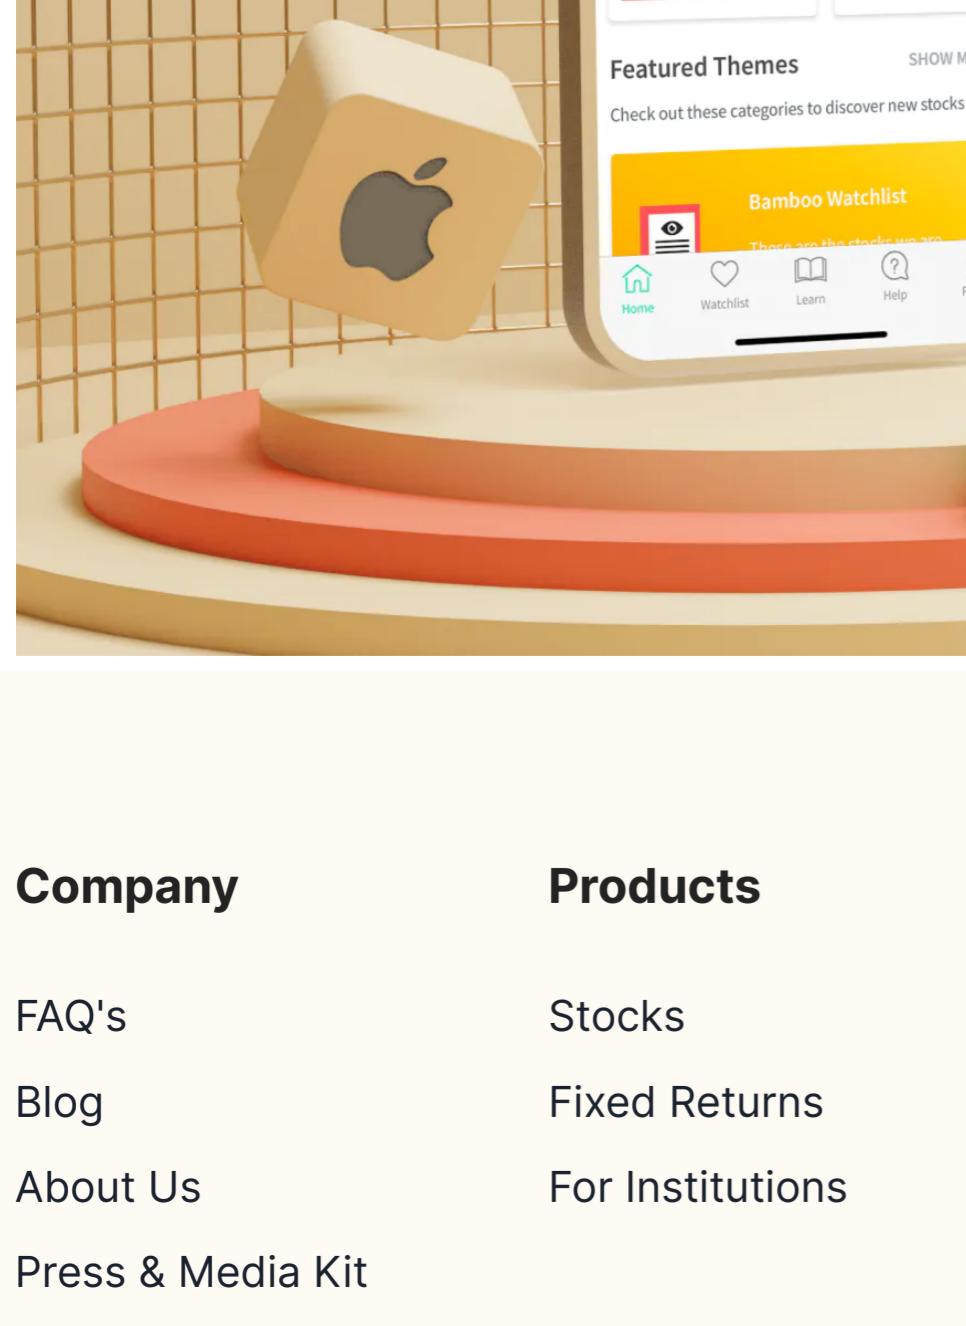

Want to quickly diversify your portfolio? Unsure what stocks to buy? Want to follow an index like the S&P 500 that tracks the US economy? Want to get professional money management for a low price? We have got you covered.

[Learn More](#)

### Fixed Returns

Bamboo Fixed Returns is for you. It is a fixed-income dollar-denominated investment that gives you up to 8% annual returns. It allows you to invest your extra cash and diversify your overall portfolio.
